

Discovering Potential - Customized Employment SEMINAR

February 2 - 3, 2016
Highwood Memorial Centre
8:30 am to 4:00 pm

\$250 per person

Includes workshop materials, lunch
and refreshments

Registration deadline: January 22, 2016

Learn about the systematic approach to exploring a person's gifts and talents in relation to both employment and self-employment.

The **Discovery Personal Genius (DPG)** process blends the best of what we know about person centred assessment, good employment/self-employment and innovative thinking into a road map for action.

This 2 day interactive session explores the process of DPG, and how it will open doors for success for our participants with disabilities.
