Experience Adventure

Register Early! Camps Fill Up Quickly.

Our teen camps offer participants the opportunity to spend time outdoors with structured activities throughout the summer. Keep your teen active and engaged with a camp that includes swimming, canoeing and team sports like basketball. Adventure week camps provide opportunities for teens to be exposed to new, unique adventures in a safe and supportive environment.

Ages: 13 years – 17 years

Time: 8:30 am - 3:30 pm

Camp Deposit: \$125 per week

Please ensure you contact your FSCD caseworker.

Summer Olympics - July 6th to 10th

Get ready to compete, laugh, and encourage others in this active week of fun and adventure. Join us at the Opening Ceremony where you will choose your team, create your own flag and come up with a great name for your group!

Amazing Race - July 13th to 17th

Every day you "travel" to a new country by learning about their traditions and playing travel themed games. Learn to work as a team as you participate in amazing race scavenger hunts, swimming and so much more.

Imaginarium Week - July 27th to 31st

Use your imagination as we head out into the community for a week of adventure that integrates science and the arts.

MACH1 (Multi-Adventure Challenge) August 10th to 14th

Attention courageous campers! Get your game face on and join us for a variety of challenges and adventures throughout this exciting week! Connect with new friends, challenge yourself to learn new skills and create lifelong memories.

Navigating and Exploring Your Community July 20th to 24th and August 4th to 7th

Board an ETS bus as we navigate our way around Edmonton to destinations such as West Edmonton Mall for an afternoon of arcade games or to do some Geocaching at Goldbar Park, Victoria Park or Whitemud Creek Park.

Teen Culinary Camp

July 20th to 24th and August 4th to 7th

Come and explore the exciting world of cooking. Learn the basics of food preparation and cooking techniques in a fun and supportive environment. You will receive individualized mentoring and coaching while working through the cookbook *Coach in the Kitchen* by Penny Gill. Healthy eating choices will also be featured as we take a trip to the supermarket on ETS.
