Call to Action

- Alberta to become a national leader in Supported Independent Living for autistic adults
- Develop the structures that will better support us to work together and to leverage and scale good grass roots work that is happening in pockets around the Province
- We look to work in partnership with Community, Industry and Government leaders

Supported Independent Living Event

- Come together, from across Alberta to focus on Supported Independent Living for all adults with autism
- Over 2 days in 2020
- Edmonton or Calgary
 - Who is having success globally and how can we leverage work in Alberta?
 - Begin to create a framework for us collectively to advance the work that will result in tangible outcomes
 - Sinneave is prepared to invest in facilitating the planning and hosting of this event

Next Steps

- Fill out info on bright green papers at your table so we are able to hear your voice in planning the event in 2020
- Everyone on the mailing list for this event will receive a save the date message when the date and location is confirmed
- In the meantime, some great work is currently taking place around the province – connect in!
- Reach out to the individual panelists here from Fort McMurray, Edmonton, Red Deer and Calgary.
