

# Autism Society Alberta Board Director Volunteer Opportunity

Autism Society Alberta (ASA) is a provincial organization connecting to its members through regional partners and networking with agencies and associations throughout the province and nationwide.

ASA is dedicated to increasing public awareness about autism and the day-to-day issues faced by autistic individuals, their families and the professionals with whom they interact. The Society and its partners share a common mission of providing information and education, as well as supporting research and advocating for programs and supports for the autism community.

## Why Become a Director?

- Develop and enhance your leadership skills
- Networking opportunity
- Support a great non-profit organization
- Work with a diverse group of people to fulfill a mission you are passionate about

## Role of a Director

- Provide strategic leadership
- Monitor and evaluate the implementation of policies and strategies
- Ensure the organization's financial viability and sustainability
- Oversight of management - evaluate the performance of the President
- Be an ambassador for the organization and promote its work in the community
- Maintain the Board - select, recruit and nurture new board members; develop and review the performance of board members; assess its meetings and own performance as a Board

**Terms of Service:** One year

**Average Time Commitment:** Three to five hours per month

## Director Qualifications

In 2024, ASA is seeking an individual to join the Board of Directors in the following:

- **Legal expertise**

With:

- Integrity and high ethical standards
- Demonstrated management and leadership experience or community involvement
- Capacity to attend no less than 75% of regular board meetings (Board meets every 2 months)

**How to Apply:** If you are interested in joining the Board, please email [president@autismalberta.ca](mailto:president@autismalberta.ca) with a brief statement of interest and resume.

**Deadline to Apply:** Until a suitable candidate is selected.
